Tunica National Welcomes Ernest Ross as Teaching Pro

TUNICA, Mississippi (July 10, 2014) – Tunica National Golf & Tennis is pleased to announce the addition of our newest team member, Ernest Ross, as Teaching Professional. Ernest comes to us from the University of Mississippi where he served as the Rebels Head Golf Coach the past ten years. Prior to his stint at Ole Miss, he served as the Head Golf Professional at The Country Club of Jackson for 16 years. He is a PGA Master Professional and PGA Certified Teacher who has successfully coached six golfers to the PGA Tour and numerous other golfers to other levels of professional golf.

“I’m very excited to have the opportunity to teach out of the first class facilities here at Tunica National,” said Ernest Ross. “Golf is a tough game and is a lot more fun when you play well. Teaching golf has been my life long passion and I think I can help all levels of golfers get better quicker and enjoy the game even more.”

“Our three indoor hitting bays, coupled with our 360-degree driving range, make Tunica National one of the premiere practice facilities in the Mid-South region,” said General Manager Bob Wolcott. “I look forward to working with Ernest as we strive to help our preferred players and resort area guests improve their game, while helping establish Tunica National as destination for golf improvement and golf enjoyment.”

Tunica National will be offering individual lessons, group lessons, learn and play packages, and specialty clinics for all levels of golfers. For more information, visit our website, www.tunicanational.com or call Ernest Ross at 662-832-9998 to schedule a lesson.
